

CHAUFFEURING

VIP Security provides a top of the range close protection chauffeur service that is tailored to meet your needs. Whether you are travelling to a meeting, event, or airport we will provide you with experienced, attentive and professional chauffeurs who will be there when you need them.

Vehicle and Driver Hire

Our first-class fleet of vehicles features the S Class, E Class Mercedes and Viano SUV. If there is a particular vehicle you require please just ask. We have a full range of saloons, limousines and SUVs available for all occasions. All vehicles are provided with a professional chauffeur, to enable you to arrive in style, and to take the stress out of driving.

If you have your own vehicle why not try our driver/Chauffeur hire, to drive for you on that special occasion, business trip or day to day family errands, available on an hourly or daily basis. Services: Chauffeur Services, Vehicle and Driver Hire.
